To All Parent/Carers

Hope you all had a fun filled Halloween and have not eaten too many sweets!

We start November with an exciting visit from Lewis's granddad in his tractor this Friday. We would like to thank him in advance for taking time to share this rare experience with us all.

Share a Session - November

Can we please remind you about sharing a session?

It's a good opportunity to see what goes on during a session, so please put your name down.

Timetable Changes

Monday will now be our 'Share News' day. This will replace the 'Show & Tell' on Tuesdays. Each child will have the opportunity to share their news or personal objects over the term.

Gym will now be on a Tuesday, Thursday and Fridays are dedicated to Music and Drama.

All children will have the opportunity to bake this term for Christmas.

Children in Need - Friday 13th November

We will be supporting this event by dressing up as our childhood heroes.

Can all the children that wish to participate please bring a donation to send off to Pudsey?

Children's Profiles

All of the children's profiles have been updated and the information will be transferred onto your designated memory stick.

These will be handed out this week, they are your property but we do ask if you can return so we can update the observations termly?

Parent meeting will be arranged on the last week of this month for you to discuss with your child's key worker or Yvonne on the observations made, your child's next steps and their learning in general.

Please return the attached slip by Friday 13th November so we can book a slot for you.
