Project Work

To All Parent/Carers

1st March and lots of plans, starting with...

World Book Day – Thursday 5th March

If the children would like to bring in a favourite book from home this **Thursday** we will share it at Playgroup.

All children will also receive a book voucher.

Development Plan – Garden Area

As already shared, we intend to re-construct the garden area over the Easter holidays.

Weather permitting the painting of the fences will take place over the **1st weekend** (Easter Weekend).

All other work will commence on **Monday 6th April** and **Monday 13th April** from 10am which will require hands on labour, power tools and wheel barrows to move top soil and set out the new areas.

Please let us know if you can help with any of these tasks and which day's suit you best.

Development Plan - Provision Inventory

We would also like to complete a full Inventory of all our resources over the Easter holidays too. This will take place on the same days as the garden work.

If you can help us with this job please let us know.

Many hands make light work!

We are continuing to look at creatures from Scotland and are presently looking at the creatures living in sea and rivers. We will finish this part with a visit to Mac Duff Aquarium which we hope you can join us in.

2's Group

Our Tuesday 2's group is full and we welcome the new children and their families to this group and the new Wednesday group which will start this week.

Fund Raising

The Spring Fayre is our next joint event with the School and will commence on the 28th March 1pm – 4pm. Please let us know if you can help in anyway.

Katina Wilson is organising a car boot pitch at Thainstone on 31st May, any donations to sell are gratefully accepted.
